The project is the result of the collaboration with ‘We Do It Together’, a non-profit film production company that advocates for gender equality, founded by producer Chiara Tilesi.

“‘Tell It Like A Woman’ has been a very long journey, almost six years producing this film, and we couldn’t have asked for a better ending segment in ‘Pepcy & Kim.’ said ‘We Do It Together’ founder & producer Tilesi. “We are honored to have the immense talents of Taraji, Jennifer, and Pauletta, to bring Kim Carter’s powerful story to life. This segment reminds us that in life no matter how difficult the circumstance, there is a way to overcome any obstacle. It is so inspiring to see Kim Carter helping women across the United States with her non-profit, The Time for Change Foundation.”
