About City of San Bernardino's IEMG TV3

IEMG (Inland Empire Media Group) is a PEG (Public, Education and Government) program managed from the City of San Bernardino's IT Department. The program focuses on the creation of locally originated programming including coverage of city council, planning commission and other city meetings, airing of regional government meetings and coverage of community sponsored events. The program also has an active Public Access Producers training program that the public can be a member and receive training.

You can watch our programming locally within the City of San Bernardino on the following cable providers:

*Spectrum(formerly Time Warner/Charter) - Channels 3, 17 and 32 *Frontier (formerly Verizon) - Channels 3, 17 and 32 *ATT Uverse - Channel 99 (under San Bernardino)

or go to our

Youtube channel

for more local content.
